## Under DEMANDING circumstances . . .

Your force or organization demands a mobile unit that gives you the edge in serving your community when an emergency strikes.

Featherlite is devoted to the art of custom trailer manufacturing. With a Featherlite trailer with custom interiors, you will have the power to arrive on scene at a moment's notice and remain until your work is finished.

As many firefighters, police officers and other emergency response officials are learning, Featherlite offers durable, reliable units that **PERFORM**.

No two Featherlite units are alike. Completely customized to your specific and unique requirements, they come equipped with Featherlite's advanced features.

Build one trailer to fit multiple needs or custom build several trailers, each specializing in a specific function.

No matter what kind of specialized response unit you need, your Featherlite trailer can advance your force's preparedness and improve their response in an emergency.

Featherlites are available in lengths from 8' to 53' in bumper pull, gooseneck and semi-trailer towing configurations. Featherlite also builds truck bodies and other specialty vehicles.

**Communications/control centers** are customizable inside command centers
