8.5'

AUTO & RACE

Unlike the other models in the **Road Force** line-up, the 8.5' wide is an auto hauler at heart. If you're a collector or a racer looking for superior quality, durability, and style, then the 8.5' **Road Force** is a smart choice. For starters, the **Road Force** features an extra wide 94" rear ramp door opening, no-show beavertail, side door with recessed step, roof vent, and tie-down rings — all standard. Factor in the radial tires, LED Slim Line tail lights, Nev-R-Adjust brakes, and a 4-year limited warranty; now you know you've got a trailer that's packed with value and built to last!

Wells Cargo and Our Legacy of Engineering Leadership

Many people say that all enclosed trailers look pretty much alike. We consider that a compliment since it was Wells Cargo who pioneered the industry over 60 years ago. State-of-the-art takes on a whole new meaning when you compare the first trailer we built in 1954 with our product line today. Old "No. 1" looked pretty good back then, but we've come a long way since. Experience has made the difference and ours is unmatched. Our Research & Development facilities keep us the frontrunners of the industry. After thorough evaluation and comparison, we think you'll agree that Wells Cargo has earned our long standing reputation as the premium cargo trailer on the market and the best overall investment.

Rest assured that after you make the decision to buy a Road Force, our commitment to you is not over. Our comprehensive 4-Year Limited Warranty is more than just words. It's about how quickly and responsibly we respond to your needs. It's the peace-of-mind you get knowing your investment is protected by an established company with a solid reputation. If our work or materials are at fault, we'll make it right. Any one of our four manufacturing facilities or our national network of professional dealers stand ready to service your trailer should the unlikely need arise.
