CAR TRAILERS

SAFE. SECURE. SMART.

GET YOUR CAR TO THE SHOW, THE RACE OR ANY BIG EVENT IN THE BEST — an all-aluminum Featherlite car trailer. Easy towing, durable, feature-rich Featherlites are the first choice of champions and auto enthusiasts everywhere.

SEE WHAT'S NEW!

More versatile, durable and economic hauling options are now available with Featherlite's enhanced lineup of car haulers!

You get more with the new Model 4930 including standard aluminum wheels, white aluminum walls and ceiling and Featherlite's 10-year limited structural warranty.

The increased fender-to-fender width of new Model 3182 gives you a wider platform for loading and hauling your vehicles. In addition, it includes removable fenders and two easy-to-load ramps with in-chassis storage.

WHY CHOOSE FEATHERLITE TRAILERS?

What sets Featherlite car haulers apart when it comes to safety, style and convenience? Many reasons!

(A) Heavy-duty crossmembers. Heavy-duty 4" I-Beams on 12" centers give your trailer added strength and adds to the uni-body design. (on most models)

Premium tires. Quality Goodyear tires now standard!

Aerodynamics. Featherlite v-noses are designed to be more wind resistant and easier to pull. They are also great looking!

(B) D tie rings. Featherlite's D rings are handy to use to tie down cargo.

Aluminum floor. Durability on the outside is also found in the inside with Featherlite's standard aluminum floor. (on most models)

(C) Wiring harness. All wires are bundled in a protective jacket, known as the Featherlite wiring harness to protect against wear and tear.

(D) Flex Foot ramps are now standard on open car haulers. A pivoted triangle at the end of the ramps conforms to the ground to make loading and unloading easier, especially on uneven surfaces.

(E) All-aluminum construction. Customers report that Featherlite's all-aluminum trailers give them more payload capacity, smoother travel, fuel savings with the lightweight construction and a higher resale value.

GOOSENECK CAR TRAILERS

Featherlite gooseneck car trailers are legendary for stability, versatility and convenience. Featherlite goosenecks provide the option for a longer trailer with additional storage space in the gooseneck and throughout the trailer. The design of an enclosed gooseneck allows for optional custom workshops, living quarters, cabinetry and internal lifts.

MODEL 4941

Model 4941 includes a smooth extruded aluminum floor, rear ramp with cable assist and a heavy-duty double sealed side door. Choose from many options, including cabinets and living quarters for those overnight trips, or it can be designed as a vending trailer or a kitchen trailer instead.

MODEL 3112

The gooseneck version of Model 3110, the 3112 comes in lengths ranging from 20' to 30'. Features include two 7' ramps that can be stored under the trailer, removable fenders with stainless steel fender latches and stainless steel swivel D-rings.

MODEL 3150

Model 3150 wedge car trailer can transport up to 3 vehicles and is ideal for use by trailer and car dealerships and other commercial haulers.

MODEL 1641

Model 1641 gives you a versatile, value priced hauling option for not only your cars but also ATVs, motorcycles, household items and much more! The trailer features a convenient rear ramp with cable assist and a durable 3/4" plywood floor.

COACH TRAILERS

Featherlite coach trailers are designed to meet the unique transportation needs of luxury coach owners. Featuring an electric driven internal lift system, Featherlite coach trailers can easily accommodate a car and recreational vehicles such as motorcycles, snowmobiles and ATVs.

MODEL 4953

Model 4953 features a single cylinder lift that is perfect for motorcycles or a golf cart, while the lower deck is suitable for a car. It has an inside height of 11', a 24' length and an 8'6" width. It features 4 stainless steel swivel D tie downs and airliner track. It also includes a back-up camera, cabinets and mezzanine deck. In addition to a rear ramp, a 58" wide side ramp with door is standard.

INTERIORS

Featherlite offers a wide array of interior options including fabrics, flooring, counter tops, cabinets and much more.

Enjoy your travels with a Featherlite interior equipped with full kitchen, bathroom and entertainment system. Slide-outs expand interior space.

MODEL 3110 SPECIAL OPTIONS

DRIVE OVER FENDER

For transporting wider vehicles, including dune buggies, a drive over fender option is available on the 24' Model 3110.

EXTRA WIDTH & SIDE WALLS

An option for extra width, 82" fender to fender, and full width side walls that are 18 1/2" tall is available to accommodate wider vehicles, including pickups and mid-size equipment.

RAISED DECK WITH BEAVERTAIL

An optional raised deck with beavertail is available on Model 3110. This configuration better accommodates larger vehicles and equipment.

BUMPER PULL CAR TRAILERS

Great looking Featherlite bumper pulls are affordable and compact and can be hauled by a wide selection of vehicles including SUVs and motorhomes. Custom workshops, living quarters and cabinetry are available as options in Featherlite's enclosed models.

Provide your cargo with extra protection with an optional aluminum air dam on Model 3110.

Cabinets and workbenches available for storage and work space.

Various options are available for securing your cargo including airliner track or aluminum a-track.

“Using a Featherlite trailer is a savings of about 25% just in fuel mileage alone [compared to another brand] — It is a combination of the aerodynamics of the Featherlite trailer, the way the front end is built and, of course, the lighter weight [that delivers] the big, big savings.”

Roger Gustin, Former President of AutoStar Productions, the producer of the Super Chevy Show Series

MIX & MATCH
