

Safe. Secure. Smart.

HORSE TRAILERS

TAKE THE FIRST STEP

to owning a new aluminum Featherlite® horse trailer, and explore how Featherlite moves you – with smart innovations focused on durability, safety, reliability and value. Your final destination: become part of an elite group of satisfied customers who rely on Featherlite to keep their horses safe no matter where they go.

FEATHERLITE DROP DOWN FEED DOORS!

FEATURING:

- Heavy duty frame & drop down bars
- Heavy duty hinges
- Lower handle for easier use
- More easily lays flat against trailer

DURABILITY

With a Featherlite, you get our durable uni-body all-aluminum construction with superior resistance to rust & corrosion and minimal maintenance.

EASE OF USE

Featherlite's horse trailers are designed with features that are convenient and easy to use. Featherlite's spring-loaded slam latch dividers feature a quick and secure lock with no need for hands near the fastening point and a heavy-duty spring. Featherlite's drop-down feed doors and latches throughout the trailer are easy to use, often requiring only one hand.

VALUE

You get a higher resale value that comes from Featherlite's transferable warranty** and superior all-aluminum construction that resists rust, corrosion and wear. Premium Goodyear® tires are also standard, adding extra value to your Featherlite.

Features above may vary depending on trailer models and model year. Some options not available on all models. Specs listed are for 2016 models. Some models shown with prior model year graphics. Chrome glass windows, as shown on some models, now optional.

YOURS FOR LIFE.

YOUR WAY

With Featherlite you get a large selection of options to personalize your horse trailer. Options now available include a telescoping ladder with your hayrack of choice, thicker 2" stall pads for added safety, LED load lights, Firm-Mat flooring that's easy to clean and other conveniences. Plus, Featherlites are available in a variety of exterior colors including dual- and tri-colored options.

SAFETY

You receive a trailer designed to give your horses a smooth, steady ride plus features like standard deep cushion rubber floor mats. Plus part of keeping your horses safe is providing them extra comforts like additional air flow and light in the horse area with Featherlite's "Light Flo" drop-down feed doors or larger windows behind horses standard on slant loads. Also, Featherlite's patented slam latch dividers feature a quick and secure lock. Dividers not secured properly can swing about, possibly causing injury to horses or upsetting them.

SELECTION

It's easy to find your way to a new horse trailer! Featherlite offers the widest selection of models, most of which are customizable with the Featherlite Perfect-Fit™ System. Choose your model and then go online at www.ftlr.com for specifications, floorplans and available options.

RELIABILITY

You have the peace of mind of owning a trailer with a 10-year limited structural warranty* with 3-year bumper-to-bumper on select models.

FUEL EFFICIENCY

You can get a lighter, smoother and more fuel efficient tow like so many other fellow horse owners report.

* 1-year or 3-year bumper to bumper. 10-year warranty applicable to 2013 and newer models. Some restrictions apply.
**Transferable Warranty available only on trailer with remaining warranty traded in for a new Featherlite trailer.

BUMPER PULL TRAILERS

Stylish, affordable and compact, Featherlite bumper pulls are the ideal choice for both beginners and veteran horse owners alike.

Featherlite's dressing rooms, fold-up and removable rear tacks, walk through mangers, gravel guards and patented slam latch system are just a few of the favorites with Featherlite bumper pull horse trailer owners. And with the aerodyne nose standard on bumper pulls, towing has never been easier or more economical. Choose from straight load, slant load or combo configurations for your next bumper pull horse trailer from Featherlite.

MODEL 9409

2H, 3H or 4H slant load bumper pull with folding rear tack, 2", 24" or 52" dressing room and 6'7" width. The 9409 includes roomy stalls and double rear doors standard. Standard exterior is smooth sides.
